One year after the International Year of Sanitation -
Are the Millennium Development Goals realistic

12-15 August 2009
Tampere, Finland

www.drytoilet.org/dt2009

The successful Dry Toilet Conferences, DT2003 and DT2006, organised in 2003 and 2006 respectively, will be followed by the 3rd International Dry Toilet Conference from 12-15 August 2009 in Tampere, Finland.

Call of Papers

The main theme of the Conference will be the evaluation of the achievements in sanitation after the International Year of Sanitation in light of the Millennium Development Goals.

Main topics:

- Health and Safety
- Technical development of dry toilets
- Social, cultural, economic and gender aspects of dry sanitation

Invited speakers of international repute will update you on these main topics.

Oral and poster presentations will be chosen by the scientific committee on the basis of abstracts received. Deadline for abstracts is 15th of December 2008.

We invite all experts in this field to submit abstracts on any of the above mentioned topics or on closely related ones.

The official language of the conference is English.

The Conference will be organised in Tampere, the third largest city in Finland with a population of 200 000. For further information, please visit the city's website at www.tampere.fi. The venue of the conference is Tampere University of Technology, www.tut.fi
